Gentlemen:

This will acknowledge receipt of your application for permit to operate a waste management facility dated July 5, 1981, and received by this Agency July 7, 1981. The application has been reviewed, and the following comments have been made pursuant to the review:

The facility has not received a development Permit (Illinois Environmental Protection Act, Section 21(d), and Rules 201, 202, and 207(c), Chapter 7, Illinois Pollution Control Board Rules and Regulations).

Based on the above, the Agency must deny the operating permit.

Very truly yours,

Thomas E. Cavanagh, Jr.
